Press Release – March 2007

Alabama and Florida Panhandle Raise a Glass to Welcome Neighboring Mississippi Brewery

Lazy Magnolia Brewing Company, Mississippi's first and only packaging microbrewery of Kiln, MS., is proud to announce its introduction into select markets in the States of Alabama and Florida. Gulf Distributing Company of Mobile will distribute the Lazy Magnolia brand in Alabama, and Goldring Gulf Distributing Company of Pensacola will distribute the Lazy Magnolia products in the Florida Panhandle.

Lazy Magnolia Brewing Company was started by two native Mississippians, born and raised in the heart of the Hospitality State. Mark and Leslie Henderson moved to the Gulf Coast after graduating with Engineering degrees from Mississippi State University. They started home brewing as a hobby, and their creations quickly gained a following among friends and family who encouraged them to go professional.

After several years of hard work, their dream became a reality in January 2005 with their very first batch of beer brewed in the present location of Kiln, MS. Since that time, Lazy Magnolia has expanded its distribution throughout the entire state with more than 300 tap handles, gaining new fans every day as more people discover their International Award Winning beers.

Lazy Magnolia offers five standard beers, as well as rotating seasonal selections to compliment both the climate and Southern Palate:

- **Southern Pecan**, the flagship beer, is an International Award Winner, earning a bronze medal at the 2006 World Beer Cup in the Specialty Beer Category. Southern Pecan is a Nut Brown Ale brewed with roasted pecans.
- **Amberjaque** is another International Award Winner, earning a bronze medal at the 2006 World Beer Cup in the Rye Beer Category.
- **Blue Bayou** is a Kristal Weissen, or Sparkling Wheat Beer brewed in the European style with very distinctive spicy flavors and fruity aromas.
- **Par 3** is Lazy Magnolia's Light Beer brewed with a summer round of golf in mind.
- **Indian Summer** is an American Style Wheat spiced with orange peel and coriander.

Lazy Magnolia offers tours every Saturday morning at 10:30.
